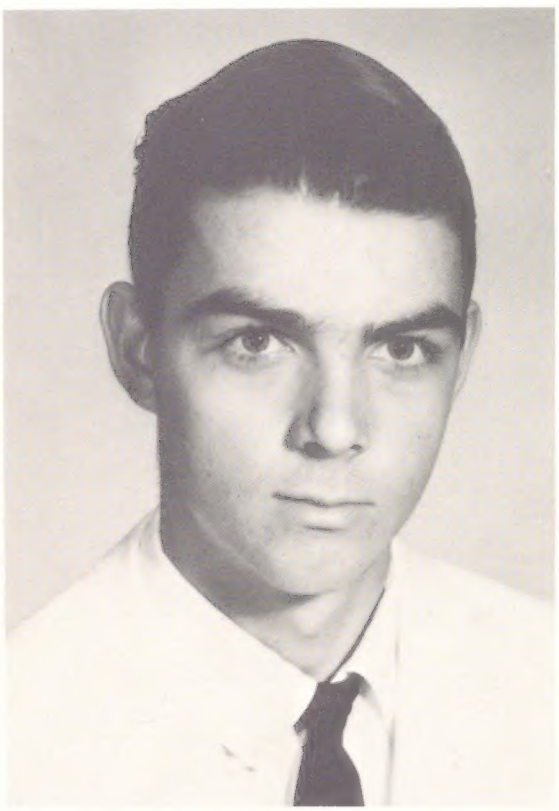
In Memory of



We the Senior Class of 1965 wish to pay a special tribute to Joseph Edward Matthews, "Born May 29, 1947, Died June 1964." Although he is no longer with us as the graduation of this class draws near, we do take pride in paying this special tribute to his spirit with this memorial.

Dedication

We, the members of the Class of '65, do hereby gratefully dedicate this volume of the MILLSTREAM to our sincere friend and teacher, MISS BARBARA BOYD. Many are the times that this fine cooperative, and able person has come to our aid. Many are the times that she is called upon as a helper, a counselor, a leader or an advisor. She is never too busy to lend a helping hand. Her many talents are continually at work for us, and her presence, devotion to duty, and friendly spirit will long be remembered by the Class of '65.

At Work.

At Housekeeping.

Miss Millstream

Again in the history of our Annual, which is being edited for the 29th year, a Miss Millstream has been chosen. The Senior Class and a committee of the faculty selected Miss Millstream from the girls of the Class of 1965. This selection was made according to attitudes, citizenship, and general appearance.

After much thought and consideration, the honor was given to Alice Newell.

School Song

In Craven County's chosen spot,
We have casted in our lot,
  Dear old Farm Life School to thee we lift our song.
Near thy level fields so fair,
We shall breathe the balmy air,
  While with merry hearts the chorus we prolong.

As the morning sunbeams' light,
Greets thee o'er the forest height,
  So our tribute, we as freely to thee bring.
Youth's true homage full and free,
We thus gladly render thee
  Dear old Farm Life School thy praise we freely sing.

To thee, guardian of our youth,
Faithful guide to light and truth,
  We, thy children, bring our songs of grateful praise.
And when we shall leave thy halls,
We shall ne'er forget thy calls
  Dear old Farm Life School the scene of happy days.

CHORUS
Sing we a song of our dear Farm Life School
  Fondly we love thee still.
And wherever we may be,
  Fond mem'ry turns to thee,
And our many friends we have at Farm Life School.

Principal

Each succeeding Senior Class comes a little closer to me as the years pass; so it is with real pleasure that I ask my heartiest congratulations to the class of '65. Give your life the best that you have and the best will surely come back to you. The leaders of tomorrow come from the classrooms of today—so be prepared physically, mentally and spiritually, that is my hope and my prayer for each one of you. May God's richest blessings attend you.

Class History

TRACKING THROUGH THE YEARS

As we look back through the years, the echoes bound in joyful sounds. It was a beautiful day in June 1961 when we, one hundred and nine excited Freshmen, took our place at the right of the school auditorium. Mr. Blair, our new principal, welcomed us and provided us with two counselors, Mrs. Juanita Olive and Coach Patrick Jones. They did everything possible to help us adapt to our new environment at Farm Life. We soon found a need for class representatives, so we elected Ray Heath, President; Tyrone Witherington, Vice President; Peggy Morris, Treasurer and Secretary; and Janice Ipock, Reporter. Joan Wetherington and Tyrone Witherington were our candidates for Mr. and Mrs. Farm Life.

In June 1962 we former "Green Freshmen" had advanced to the "Silly Sophomore" stage. The previous year had made us aware of the fact that Class officials were very important, so we undertook the task of electing Jerry Phillips, President; George Sawyer, Vice President; Walton Jones, Treasurer, and Joan Wetherington, Secretary. Madge Whitley and Tyrone Witherington were our candidates for Mr. and Miss Farm Life. Tyrone captured the crown.

June 1963 seventy-five "Jolly Juniors" proceeded down Farm Life Avenue for the third consecutive year. We elected Tyrone Witherington, President; Alice Newell, Vice President; Joan Wetherington, Secretary, and Barbara Barwick, Treasurer. George Sawyer and Toni Willis, our candidates for Mr. and Miss Farm Life, came in second place. Joan Wetherington and Linda Tripp ran for "Home Coming Queen." Joan was the lucky winner. Our Junior-Senior Banquet and Prom "Hawaiian Cruise" was also a big success due to the wonderful help we received from Miss Boyd, Mrs. Joyner, Mr. Morris, and Mrs. Haddock. Mrs. Haddock and Mr. Morris were our advisors during this very busy year.

"Many a sorrow, many a labor, and many a tear;" however forty-six of the original one hundred and nine have come thus far. We are very fortunate to have as our advisors, Mrs. Vivian Taylor and Mr. Michael Averette. Our student officers are Jerry Phillips, President; Peggy Morris, Vice President; Wallace Cleve, Secretary; Alice Newell, Treasurer, and Mickey McLawhorn, Reporter. In the spring we will present our class play, "Hillbilly Wedding" directed by Mr. Averette. During the third month of school Peggy Morris and George Sawyer were elected F. F. A. Sweetheart and F. H. A. Beau. Wallace Cleve and Vickie Shackelford represented our class as candidates for Mr. and Miss Farm Life. Linda Tripp ran for "Home Coming Queen" for the second time. In the spring we are looking forward to the Junior-Senior Banquet and Prom, Alumni Banquet and Prom, Betterment Reception, Baccalaureate Sermon, Class Night, and most of all Graduation.

IN CONCLUSION:

Our four years have come to an end. For some of us it is the beginning of a whole new life toward new and better horizons. We of the year book staff have attempted to present to you the story of our school. The four phases of high school life—the academic, the activities, the social, and the athletics—have been presented to you in our new 1965 MILLSTREAM annual. Our theme was one of tracing the steps of the students as they progress through the four, momentous years of high school.

Our task had just begun when we chose our theme. The faculty, administration, and student body had to be featured in an unique way. We have tried to capture the informal social life of the student body through photographs. The staff has highlighted the different clubs and organizations.

This is not the end of our book. It is just the beginning of the many, many more years of achievement and progress at Farm Life High School.

ACKNOWLEDGMENTS

The staff of the 1965 MILLSTREAM wishes to express their deepest appreciation to the following, for without their help, this publication could not have been made:

to Mrs. Taylor who helped the staff with all their difficulties in planning this edition of the MILLSTREAM.

to Pictures Incorporated for the Senior pictures and those of the students, administration, and faculty of Farm Life School and to all who helped to make the production of this book possible.

You and your family are to be congratulated for reaching this plateau—high school graduation. Education enables you to aggressively compete with others. Americans believe "a man cannot leave a better legacy to the world than a well-educated family." This is as it should be, for education plays a predominant role in the American way of life. It advances free enterprise; it breeds desire in the individual to acquire new skills for self-improvement. Thus, education helps advance our way of life—a life which is the envy of the world, and also the hope of the world.

As life broadens, so does the need for more education. Do not end your learning process now. Continue to prepare yourself so you can help maintain the American way of life.
